

Fendia and Sara

## BEDROCK BUILDERS MONTHLY GIVING PROGRAM

*Fendia is a graduate of Hope House... and she gives every month. Won't you join her?*

Monthly donors are the bedrock of Hope House... which is why we call them our Bedrock Builders. They come from all walks of life – and even include former Hope House teen moms. Take Fendia, who was born in Haiti and had difficulty transitioning to the U.S. with her

limited English and an unsupportive living environment. At 17, she found she was pregnant – and homeless.

With the help of her teacher, Fendia arrived at Hope House with her 11-day-old baby and a broken car seat... and that was all. Through our Residential Program, she became

a U.S. citizen, earned her GED, and began pursuing a Licensed Practical Nursing degree. Fendia graduated from Hope House in 2005, and today she is married, owns her own home, and is a managing LPN at an assisted living center. And she gives back to Hope House, every month.

### BEDROCK BUILDERS MONTHLY SPONSORSHIPS

**\$20** 1 can of formula

**\$40** 1 counseling session

**\$75** 1 month of diaper supplies

**\$100** Gas for driving teen moms to appointments and classes in a Hope House vehicle

### PLEASE JOIN US

You can become a Bedrock Builder at any level you like. No matter what your level of giving, your monthly gift becomes one of the building blocks of Hope House.

**Simply sign up on our website or call us today at 303-429-1012.**
