

Jamie and Darrien

## BEDROCK BUILDERS MONTHLY GIVING PROGRAM

*Jamie is a graduate of Hope House... and she gives every month. Won't you join her?*

Not long ago Jamie was a teen mom struggling to break out of poverty and reach economic self-sufficiency.

Today Jamie is a Hope House graduate who has successfully reached self-sufficiency, runs her own business... and gives back to Hope House as a volunteer and as a Bedrock Builder!

### PLEASE JOIN US

You can become a Bedrock Builder at any level you like. No matter what your level of giving, your monthly gift becomes one of the building blocks of Hope House.

**Sign up on our website or call 303-429-1012.**

Would you consider joining our Bedrock Builders? You can choose your own level of monthly giving, and it really adds up. Last year our Bedrock Builders covered almost 10 percent of our entire budget! As consistent donors we can count on every month, they truly are our bedrock!

### WHY GIVE MONTHLY?

### SPREAD YOUR GIFT THROUGHOUT THE YEAR

By donating monthly rather than in one lump sum, you help Hope House to maintain a more consistent income throughout the year, which allows us to plan more effectively.

### BEDROCK BUILDERS MONTHLY SPONSORSHIPS

**\$20** 1 can of formula

**\$90** 1 counseling session

**\$75** 1 month of diaper supplies

**\$100** Gas for driving teen moms to appointments and classes in a Hope House vehicle
