## COMMUNITY PROGRAM

It's more than taking a class -  
it's about changing your life!

Our Community Program offers a variety of components designed to help teen moms become self-sufficient members of their community who are also nurturing, loving parents. This program provides a menu-style approach to services that allows our teen moms to define their own goals and then select the components that will help them reach those goals.

### COMMUNITY PROGRAM GOALS FOR 2018

- Serve **200** teen moms.
- **60%** show Growth, economical, personal/self-sufficiency.
